Dear Ram Pandey,

Congratulations!

We would like to take this opportunity to commend you on the successful completion of your project under the guidance of Prashant Singh (Product Management).

As a **Software Developer (intern)** your role in this project was to research and contribute towards developing a functional prototype for our SAAS product code-named as G56 (Copyright Pending).

Prashant has shared the following feedback for you with us

- A team player with positive attitude and willingness to go the extra mile.
- Ram has contributed immensely with product workflow planning and developing the product prototype.
- Great knowledge of backend development and creating APIs along with writing clean code.
- Good at creating and maintaining project documentation for the product management team.

This letter certifies that **Ram Pandey**, have completed his internship with **CloudFabrica Technologies Private Limited**. This also confirms Ram's employment in a **Software Developer (intern)** capacity from **Aug 8th, 2019 to Sep 8th, 2019**.

NOTE: Due to the policy of our organization we can't be sharing the details of our product and IP over this letter. Please contact us at contact@cloudfabrica.com for any queries in future.

Archana Prasad,

Director, CloudFabrica Technologies Pvt. Ltd.
